Dear Parents and Teens,

You will need the following information to best prepare for your upcoming Teen Driving Solutions class and get the most from your training. This event will be held at the beautiful and world-renowned **Virginia International Raceway (V.I.R.)**. We look forward to meeting each of you.

Remember, this event is for both **Parents and Teens** – one of each is required to attend on the Saturday and Sunday of your scheduled class.

Please read this document carefully and in its entirety, as there is a lot of information you need to know, and actions you will need to complete in preparation for your arrival.

While we don't exactly know what to expect in terms of weather, the event will take place rain or shine.

Schedule Expectations

- Arrive at the classroom facilities between 7:30-7:45 a.m. on Saturday morning for registration.
- We start promptly at 8:00 a.m. on both days beginning with a welcome session.
- Lunch will be provided each day.
- We do our best to end the day between 5:00 and 5:30 p.m.

Dress Code: What NOT to Wear

For everyone's comfort and safety, the school observes the following DRESS CODE requirements:

- **NO OPEN TOE SHOES (no flip flops or sandals).** Our insurance requires closed toe shoes, so be sure to pick a comfortable pair.
- **No tank tops or thin shoulder strap blouses.** You will be repeatedly pushed against the shoulder harness and lap belt in many of our driving exercises which can result in chaffing or blisters if not properly attired. Ensure your shoulders and collar bone areas are covered.
- Lastly, to our female students in particular, **no short shorts**. We ask everyone dress modestly and comfortably.

Action Required: Complete the Appropriate Indemnity Agreements

If your teen is under 18 years of age, we require the parents sign the ***Minor Indemnity Agreement***. To make it easy for you, you can sign electronically by following this link:

For everyone (parent or teen) who is 18 years of age or older, we require you to sign ***the Individual Indemnity Agreement.*** To make this easy, you can sign electronically by following this link:
